ABOUT ALI

At 17, Ali Ahmadi was smuggled out of Iran with no guarantee that he would survive the journey.

Today he is an award-winning keynote speaker on resilience, change, leadership, burnout and engagement, a senior engineer and leader, and a board director, who has addressed more than 75,000 people worldwide. He is regarded as one of the country's most compelling storytellers, and is known for connecting quickly with a room and leaving people with something they can act on immediately.
